To: James Opus Software <james@opusgroup.com.sg>

Dear James,

Please find below the testimonial;

James interpreted our requirements quickly, the whole process was smooth with no hassles. Any requested changes were performed quickly and we had a live Web site from start to finish within 3-4 weeks. We would recommend James and his team to other start up companies like ours and we look forward to working more with their team as we grow in the future also.

David Newell
